

Class 3 Ancient Egyptian Presentations.

December 2015

As part of their learning, the pupils were asked to prepare a presentation about the Ancient Egyptians. They were allowed to choose any topic to focus on and had time to work on their chosen idea as part of their homework tasks.

They then had to present their topic to the staff and the rest of the children in the class and answer questions relating to their specialist subject! We were all entertained with some fantastic, creative, colourful, delicious and memorable presentations.

You can see for yourself the amazing projects that were produced!

Alexandra

Our presentations began with a visit from Queen Cleopatra herself who told us all about the fashion of that time!

Owen then gave us a gruesome demonstration to show us how an Ancient Egyptian embalmer was able to remove a dead Pharaoh's brain through the nasal canal using a long scooped hook! Yuck!

We had a gallery of colourful, informative posters to see!

We think that you can agree that all the presentations look great and the children have obviously put a lot of time and effort into producing them.

Well done Class 3!! *(and to all those who gave a helping hand!)*
