Polar Express Day!

Class 2 enjoyed a day on the Polar Express today. They all came to school dressed in their PJs with their favourite cuddly toys.

The day began with a reading of the Polar Express story.

Everyone received their important tickets, which they had to keep safe while they travelled to each station. At the stations they made train carriages, decorated biscuits, and played games.

After break we all took part in a Polar Express dance. Class 2 did really well.

We finished the day with the Polar Express film, enjoying a hot chocolate, our decorated biscuits and a snuggle with our favourite toy.
