

Tuesday 5th December Class 2 Toy Party

Class 2 enjoyed a great toy party today! We started the day by introducing all of our cuddly toys and reading 'Toys in Space' by Mini Grey. We then designed our own party invitations to invite our toys to our party.

After break we made party hats and decorations. Some children played games they had brought in from home. We completed the morning with pinata fun and a showering of sweets!

The afternoon was spent watching 'Toy Story' with a well earned cookie. The children had a lovely day and were all very well behaved.

Well done Class 2!
